Letter of Support by ETCMA (European TCM Association)

IX Brazilian Congress of Chinese Medicine Sao Paulo, Brazil, May, 28th - 31st, 2020

Organised by Faculdade EBRA MEC - Brazilian College of Chinese Medicine

The **European Traditional Chinese Medicine Association**, made up of 31 TCM member associations in 21 European countries in Europe representing about 13 000 practitioners, expresses its support for the IX Brazilian Congress of Chinese Medicine in Sao Paulo.

The ETCMA also expresses its support for Dr. Reginaldo Filho president of the TCM College EBRA MEC who are promoting TCM in his country.

The ETCMA acknowledges EBRA MEC - Brazilian School of Chinese Medicine as an MoU Partner (Memorandum of Understanding) by its president Reginaldo de Carvalho Silva Filho, and also reaffirm all its efforts to promote and disseminate Acupuncture and Chinese Medicine theory and practice in Brazil.

The ETCMA is pleased about the high standard congress program with 15 different pre and post congress workshops and 51 different presentations, with speakers coming from many parts of Brazil, including lecturers from foreign countries.

The ETCMA is expecting that the IX Brazilian Congress of Chinese Medicine will help to establish the legal regulation and the standardization of Acupuncture and Chinese Medicine training in Brazil, and also help to improve the level of professionalisation, proficiency and competence of practitioners/clinicians and the quality of clinical practice of Chinese Medicine in Brazil.

Yours Faithfully
