Currently WFCMS has 276 Chinese Medicine associations from 73 countries and regions.

The Secretariat of WFCMS reassures and acknowledges the Brazilian School of Chinese Medicine (巴西中医学院 bāxī zhōngyī xuéyuàn, EBRAMEC) as a member represented by its president Reginaldo de Carvalho Silva Filho (海金斯), and also reaffirms all the effort to promote and disseminate Acupuncture and Chinese Medicine theory and practice in Brazil.

This letter is to officially announce the support of WFCMS to the IX Brazilian Congress of Chinese Medicine (第九届巴西中医大会) conducted by EBRAMEC, in Sao Paulo, on May, 28th, 29th, 30th and 31st of 2020.

We were happy to know that there will be 15 different pre and post congress workshops and 51 different presentations, with speakers coming from different parts of Brazil, including lecturers from different countries.

We sincerely hope that the IX Brazilian Congress of Chinese Medicine, under the leadership of Dr. Reginaldo de Carvalho Silva Filho, the president of the organizing committee, the executive member of the WFCMS Presidium, shall help to establish the legal regulation and the standardization of Acupuncture and Chinese Medicine training in Brazil, and also help to improve the level of proficiency and competence of practitioners and the quality of Chinese Medicine clinical practice in Brazil.

We are sure that all participants will fulfill their expectations and safely return home after the intense informative workshops and important lectures with more knowledge and possibilities for treating their own patients.
