LETTER OF SUPPORT AND CONGRATULATION FOR  
THE X BRAZILIAN CONGRESS OF CHINESE MEDICINE &  
THE 1ST INTERNATIONAL COLLEGE OF FACULDADE EBRAMEC

Dear Dr. Reginaldo Filho,

It gives me great pleasure and honor, at this extraordinary time, to send you this sincere message of support and congratulation to the X Brazilian Congress of Chinese Medicine, and the 1st International College of Faculdade EBRAMEC, which will be held online from May 24 to May 30, 2021.

Thanks to the efforts of you and your colleagues, acupuncture and Chinese medicine have achieved tremendous progress in Brazil in recent years. These conferences will provide a timely opportunity to further increase the awareness of the important contributions traditional medicine has made to the progress of modern healthcare and to examine the roles traditional medicine, particularly acupuncture and Chinese medicine, can play in the healthcare and for the wellbeing of citizens during the pandemic.

I hope that the conferences will provide direction of preparedness in dealing with emerging medical conditions in the future.

I wish the conferences great success and wish all delegates good health!
