**Official Supporting Letter from  
World Federation of Chinese Medicine Societies to  
XII Brazilian Congress of Chinese Medicine &  
III International Congress of Faculdade EBRAMEC**

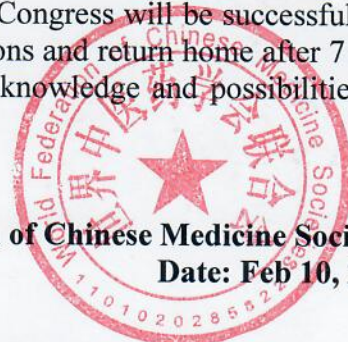

We're sincerely happy to know that the XII Brazilian Congress of Chinese Medicine & III International Congress of Faculdade EBRAMEC will be held in a hybrid format from May 22<sup>nd</sup> to May 28<sup>th</sup> 2023 in Sao Paulo, BRAZIL. This letter is to officially announce the support of World Federation of Chinese Medicine Societies to the Conference. Congratulations!

World Federation of Chinese Medicine Societies (WFCMS), headquartered in Beijing China, is an international academic organization with official working relation to the World Health Organization, holds the Special Consultative Status with ECOSOC of UN, also the Consultative Body of UNESCO. The Brazilian School of Chinese Medicine (巴西中医学院 bāxī zhōngyī xuéyuàn, EBRAMEC) is the member of WFCMS, represented by its president Reginaldo de Carvalho Silva Filho (海金斯), with all its effort to promote and disseminate Acupuncture and Chinese Medicine theory and practice in Brazil.

This congress will include in person and digital lectures, which will be over 80 different presentations, with speakers from more than twenty different parts of world to discuss with the theme of Acupuncture and Chinese Medicine. We sincerely hope that the XII Brazilian Congress of Chinese Medicine & III International Congress of Faculdade EBRAMEC, supported by Sao Paulo State Union of Acupuncture and Eastern Therapies, shall help to establish the legal regulation and the standardization of Acupuncture and Chinese Medicine training in Brazil, and help to improve the level of proficiency and competence of practitioners and the quality of Chinese Medicine clinical practice in Brazil.

Dr. Reginaldo de Carvalho Silva Filho, the president of the organizing committee of the Congress, is the Executive Member of the WFCMS Presidium. We believe that, supported by Dr. Reginaldo and the EBRAMEC, the Congress will be successful. We are sure that all participants will fulfill their expectations and return home after 7 days of intense informative important lectures with more knowledge and possibilities for treating their own patients.
